**Re: *United States v. Jason Adams*, 17 Cr. 142-18 (RA)
Request for Order Directing U.S. Probation to Disclose Treatment Reports**

Dear Judge Abrams:

The Government submits this letter to respectfully request that certain records maintained by the United States Probation Office, concerning defendant Jason Adams's substance abuse treatment (the "Treatment Reports"), be unsealed. The Government seeks these records in connection with its preparation for the upcoming revocation hearing scheduled in the case on September 11, 2023 (the "Hearing").

The Treatment Reports contain material relevant to the Hearing and, in particular, relevant to the third specification giving rise to the Hearing, which concerns the defendant's alleged failure to participate in substance abuse treatment on or about May 26, 2023. The Government understands that the Treatment Reports may be unsealed only upon a Court order. Once in possession of the files, the Government will disclose them to the defendant consistent with its obligations under Title 18, United States Code, Section 3500 and/or pursuant to its obligations under *Brady v. Maryland*, 373 U.S. 83 (1963), and *Giglio v. United States*, 405 U.S. 150 (1972).

Application granted.

Respectfully submitted,

SO ORDERED.
